

At EEC Galva, Health & Safety is paramount to ensuring our operations perform effectively for the benefit of our customers.

Our Health & Safety policy and procedures take account all our stakeholders equally (employees, customers, suppliers and visitors).

Here are examples of how we have implemented our Health & Safety policies.

- Personal Protective Equipment for all on site
- Clear signage and procedures
- Medical Insurance program for our employees
- Work-Life balance
- Access to medical expertise at site
- Trained First Aiders

To demonstrate our commitment to Health & Safety, EEC Galva is working towards achieving the internationally recognized ISO OHSAS18001 standard.
